Odense er Danmark 3. største by med knap 200.000 indbyggere og har en meget lang historie.

De første historiske dokumenter kan dateres helt tilbage til vikingetiden i 988 og navnet "Odense" betyder også "Odins helligdom".

Atletikklubben blev også stiftet tilbage i 1880, blot 5 år efter H.C. Andersens død og er Odenses ældste nulevende idrætsforening.

Odense Atletik/OGF har igennem de seneste år arrangeret mere end 10 nationale mesterskaber i atletik og afholdt Europa-cup for landshold 2 gange, samt Nordiske mesterskaber for junior 2 gange.

Der er åbent for tilmelding via vores website – **husk at tilmelde dig senest den 1. juni 2016.**
